Head Coach Synchro News

TASC synchro swimmers have had a successful summer season.

May 13th - West Midlands Novice competition. The first major event for four of our under 12s; who all competed in the figure section. Emily Whitehill took silver and Libby Craven won gold in their figure categories. Our 13-15 Team and 15-18 Team swimmers also competed in the routine section coming home with silver and gold medals respectively.

July 1st the two teams entered the Warwickshire Invitational, against some incredibly tough competition from around the country. Both teams performed their best swims to date and both won silver medals!

Swimmer achievement

Crusader league swimmers - Great efforts from all swimmers, that have been part of all 3 rounds and helped to move us up to Division 2.

Synchro - Emily Whitehill for silver and Libby Craven won gold in their figure categories.

Fees structure

Parents/Carers are reminded that the Club is not able to control or change your standing orders. With around 200 transactions every month it is critical that you make sure payments are on time and correct.

The fee structure changed, including sibling discount criteria, in February this year and the Club will be requesting any payment of any back fees due.

Full details of fees can be found on our website – www.telfordaquasc.co.uk by hovering the cursor over the Membership “Tab” and clicking on Club Fees from the drop-down menu.

Policy spot light

It is important that swimmers attend sessions with the necessary equipment and clothing to reduce wasted time looking for spare equipment and ensure that the swimmer can fully participate in the session. This includes adequate quantity of water for drinking.

Document 026 – Clothing and Equipment provides guidance on what is expected and required. Can be found on our website – www.telfordaquasc.co.uk by hovering the cursor over the Membership “Tab” and clicking on Club Documents & Forms from the drop-down menu.
